The County reserves the right to make multiple awards as a result of this solicitation.
- 15.2. A Selection Advisory Committee has been established to review and evaluate all proposals submitted in response to this Request for Proposal. The Committee shall conduct a preliminary evaluation of all proposals on the basis of the information provided with the proposal, and the evaluation criteria listed below. Based upon this review, the cost proposals of the highest rated offeror(s) will then be reviewed.

This committee will then conduct a final evaluation of the proposals. Selection shall be made of two or more offerors deemed to be fully qualified and best suited among those submitting proposals, on the basis of the factors involved in the Request for Proposal, including price if so stated in the Request for Proposal. Negotiations shall then be conducted with each of the offerors so selected. After negotiations have been conducted with each offeror so selected, the County shall select the offeror which, in its opinion, has made the best proposal, and shall award the contract to that offeror.
- 15.5. Should the County determine in writing and in its sole discretion that only one offeror is fully qualified, or that one offeror is clearly more highly qualified than the others under consideration, a contract may be negotiated and awarded to that offeror. The Committee will make appropriate recommendations to the County Executive and Board of Supervisors, if appropriate, prior to actual award of contract.

Should proposals require additional clarification and/or supplementary information, offerors should submit such additional material in a timely manner.

Proposals which, after discussion and submission of additional clarification and/or supplementary information, are determined to meet the specifications of this Request for Proposal will be classified as "acceptable". Proposals found not to be acceptable will be classified as "unacceptable" and no further discussion concerning same will be conducted.

General Conditions and Instructions to Bidders

19. **BRAND NAME OR EQUAL ITEMS:** Unless otherwise provided in the Invitation for Bid, the name of a certain brand, make or manufacturer does not restrict bidders to the specific brand, make or manufacturer named; it conveys the general style, type, character, and quality of the article desired. Any article that the County in its sole discretion determines to be the equivalent of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted. The bidder is responsible for clearly and specifically identifying the product being offered and providing sufficient descriptive literature, catalog cuts and technical detail to enable the County to determine if the product offered meets the requirements of the solicitation. This is required even if offering the exact brand, make, or manufacturer specified. Failure to furnish adequate data for evaluation purposes may result in declaring a bid nonresponsive. Whenever the mention is made of any articles, material, or workmanship to be in accordance with laws, ordinances, building codes, underwriter's codes, A.S.T.M. regulations or similar expressions, the requirements of these laws, ordinances, etc., shall be construed as to the minimum requirements of these specifications.

AWARD

21. **AWARD OR REJECTION OF BIDS:** The Purchasing Agent shall award the contract to the lowest responsive and responsible bidder complying with all provisions of the IFB, provided the bid price is reasonable and it is in the best interest of the County to accept it. Awards made in response to a RFP will be made to the highest qualified offeror whose proposal is determined, in writing, to be the most advantageous to the County taking into consideration the evaluation factors set forth in the RFP. The Purchasing Agent reserves the right to award a contract by individual items, in the aggregate, or in combination thereof, or to reject any or all bids and to waive any informality in bids received whenever such rejection or waiver is in the best interest of the County. Award may be made to as many bidders as deemed necessary to fulfill the anticipated requirements of Fairfax County. The Purchasing Agent also reserves the right to reject the bid of a bidder deemed to be a non-responsible bidder.

In determining the responsibility of a bidder, the following criteria will be considered:

- a. The ability, capacity and skill of the bidder to perform the contract or provide the service required;
 - b. Whether the bidder can perform the contract or provide the service promptly, or within the time specified, without delay or interference;
 - c. The character, integrity, reputation, judgment, experience and efficiency of the bidder;
 - d. The quality of performance of previous contracts or services;
 - e. The previous and existing compliance by the bidder with laws and ordinances relating to the contract or services;
 - f. The sufficiency of the financial resources and ability of the bidder to perform the contract or provide the service;
 - g. The quality, availability and adaptability of the goods or services to the particular use required;
 - h. The ability of the bidder to provide future maintenance and service for the use of the subject of the contract;
 - i. Whether the bidder is in arrears to the County on debt or contract or is a defaulter on surety to the County or whether the bidder's County taxes or assessments are delinquent; and
 - j. Such other information as may be secured by the Purchasing Agent having a bearing on the decision to award the contract. If an apparent low bidder is not awarded a contract for reasons of non-responsibility, the Purchasing Agent shall so notify that bidder and shall have recorded the reasons in the contract file.
22. **NOTICE OF ACCEPTANCE/CONTRACT DOCUMENTS:** A written award (or Acceptance Agreement) mailed or otherwise furnished to the successful bidder within the time for acceptance specified in the solicitation shall result in a binding contract. The following documents, which are included in the solicitation, are incorporated by reference in and made part of the resulting contract:
- a. County of Fairfax Solicitation Form (Cover Sheet) and other documents which may be incorporated by reference, if applicable
 - b. Acceptance Agreement
 - c. General Conditions and Instructions to Bidders

 - e. Pricing Schedule
 - f. Any Addenda/Amendments/Memoranda of Negotiations
23. **TIE-BIDS:** If all bids are for the same total amount or unit price (including authorized discounts and delivery times), and if the public interest will not permit the delay of re-advertisement for bids, the Purchasing Agent is authorized to award the contract to the tie bidder that has its principal place of business in the County, or if there be none, to the resident Virginia tie bidder, or if there be none, to one of the tie bidders by drawing lots in public; or the Purchasing Agent may purchase the goods or services in the open market except that the price paid shall not exceed the lowest contract bid price submitted for the same goods or services. The decision of the County to make award to one or more such bidders shall be final.

General Conditions and Instructions to Bidders**24. PROMPT PAYMENT DISCOUNT:**

- a. Unless otherwise specified in the solicitation, prompt payment discounts requiring payment in less than fifteen (15) days will not be considered in evaluating a bid for award. However, even though not considered in the evaluation, such discounts will be taken if payment is to be made within the discount period.
- b. If a discount for prompt payment is allowed, the discount period will begin on the date of receipt of a properly completed invoice or acceptance of materials or services, whichever is later.
- c. For determining acceptance of supplies in accordance with the provisions of the prompt payment discount paragraph, inspection and acceptance shall be accomplished only after examination (including testing) of supplies and services to determine whether the supplies and services conform to the contract requirements.

For the purpose of earning the discount, payment is deemed to be made as of the date of mailing of the County check or issuance of an Electronic Funds Transfer, or completion of a credit card transaction.

- 25. **INSPECTION-ACCEPTANCE:** Acceptance shall occur only after receipt and inspection provided such inspection, as appropriate, is accomplished within a reasonable time. The County reserves the right to conduct any test/inspection it may deem advisable to assure goods and services conform to the specifications.
- 26. **DEFINITE BID QUANTITIES:** Where definite quantities are specifically stated, acceptance will bind the County to order quantities specified and to pay for, at contract prices, all such supplies or services delivered that meet specifications and conditions of the contract. However, the County will not be required to accept delivery of any balances unordered, as of the contract expiration date, unless the Contractor furnished the Purchasing Agent with a statement of unordered balances not later than ten (10) days after the termination date of the contract.
- 27. **REQUIREMENT BID QUANTITIES:** On "Requirement" bids, acceptance will bind the County to pay for, at unit bid prices, only quantities ordered and delivered. Where the County specifies estimated quantities, the Contractor shall not be required to deliver more than ten (10) percent in excess of the estimated quantity of each item, unless otherwise agreed upon.

CONTRACT PROVISIONS

- 28. **TERMINATION OF CONTRACTS:** Contracts will remain in force for full periods specified and/or until all articles ordered before date of termination shall have been satisfactorily delivered and accepted and thereafter until all requirements and conditions shall have been met, unless:
 - a. Terminated prior to expiration date by satisfactory deliveries of entire contract requirements, or upon termination by the County for Convenience or Cause.
 - b. Extended upon written authorization of the Purchasing Agent and accepted by Contractor, to permit ordering of unordered balances or additional quantities at contract prices and in accordance with contract terms.
- 29. **TERMINATION FOR CONVENIENCE:** A contract may be terminated in whole or in part by the County in accordance with this clause whenever the Purchasing Agent determines that such a termination is in the best interest of the County. Any such termination shall be effected by delivery to the Contractor of a Notice of Termination specifying the extent to which performance shall be terminated and the date upon which termination becomes effective. An equitable adjustment in the contract price shall be made for completed service, but no amount shall be allowed for anticipated profit on unperformed services.
- 30. **TERMINATION OF CONTRACT FOR CAUSE:**
 - a. If, through any cause, the Contractor fails to fulfill in a timely and proper manner its obligations under this contract, or if the Contractor violates any of the covenants, agreements, or stipulations of this contract, the County shall have the right to terminate the contract. Any such termination shall be effected by delivery to the Contractor of a Notice of Termination specifying the extent to which performance shall be terminated and the date upon which termination becomes effective. In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, and reports prepared by the Contractor under the contract shall, at the option of the County, become its property and the Contractor shall be entitled to receive just and equitable compensation for any satisfactory work completed on such documents.
 - b. Termination of the Contract for Cause does not relieve the Contractor of liability to the County for damages sustained by the County by virtue of any breach of contract by the Contractor for the purpose of set off until such time as the exact amount of damages due to the County from the Contractor is determined.
- 31. **CONTRACT ALTERATIONS:** No alterations in the terms of a contract shall be valid or binding upon the County unless made in writing and signed by the Purchasing Agent or her authorized agent.
- 32. **SUBLETTING OF CONTRACT OR ASSIGNMENT OF CONTRACT FUNDS:** It is mutually understood and agreed that the Contractor shall not assign, transfer, convey, sublet or otherwise dispose of his or her contractual duties to any other person, firm or corporation, without the previous written consent of the Purchasing Agent. If the Contractor desires to assign its right to payment of the contract, Contractor shall notify the Purchasing Agent immediately, in writing, of such assignment of right to payment. In no case shall such assignment of contract relieve the Contractor from its obligations or change the terms of the contract.

General Conditions and Instructions to Bidders

33. **FUNDING:** The obligation of the County to pay compensation due the Contractor under the contract or any other payment obligations under any contract awarded pursuant to this contract is subject to appropriations by the Fairfax County Board of Supervisors to satisfy payment of such obligations. The County's obligations to make payments during subsequent fiscal years are dependent upon the same action. If such an appropriation is not made for any fiscal year, the contract shall terminate effective at the end of the fiscal year for which funds were appropriated and the County will not be obligated to make any payments under the contract beyond the amount appropriated for payment obligations under the contract. The County will provide the Contractor with written notice of non-appropriation of funds within thirty (30) calendar days after action is completed by the Board of Supervisors. However, the County's failure to provide such notice will not extend the contract into a fiscal year in which sufficient funds have not been appropriated.
34. **DELIVERY/SERVICE FAILURES:** If a Contractor (i) fails to deliver goods or services within the time specified or within a reasonable time as interpreted by the Purchasing Agent; or (ii) fails to make replacements or corrections of rejected articles or services when so requested, immediately or as directed by the Purchasing Agent, then the Purchasing Agent shall have the authority to purchase in the open market goods or services of comparable grade or quality to replace goods or services not delivered or rejected. On all such purchases, the Contractor shall reimburse the County, within a reasonable time specified by the Purchasing Agent, for any expense incurred in excess of contract prices. Such purchases shall be deducted from the contract quantities if applicable. Should public necessity demand it, the County reserves the right to use or consume articles delivered or services performed which are substandard in quality, subject to an adjustment in price to be determined by the Purchasing Agent.
35. **NON-LIABILITY:** The Contractor shall not be liable in damages for delay in shipment or failure to deliver when such delay or failure is the result of fire, flood, strike, the transportation carrier, act of God, act of Government, act of an alien enemy or by any other circumstances which, in the Purchasing Agent's opinion, are beyond the reasonable control of the Contractor. Under such circumstances, however, the Purchasing Agent may, at her discretion terminate the contract.
36. **NON-DISCRIMINATION:** During the performance of this contract, the Contractor agrees as follows:
- The Contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the Contractor. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause.
 - The Contractor, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, will state that such Contractor is an equal opportunity employer.
 - Notices, advertisements and solicitations placed in accordance with federal law, rule or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.
 - The Contractor will include the provisions of the foregoing paragraphs a, b, and c above in every subcontract or purchase order of over \$10,000 so that the provisions will be binding upon each subcontractor or vendor.
 - Contractor shall, throughout the term of this contract, comply with the Human Rights Ordinance, Chapter 11 of the Code of the County of Fairfax, Virginia, as reenacted or amended. Contractor shall further require that all of its subcontractors will comply with the Human Rights Ordinance, Chapter 11 of the Code of the County of Fairfax, Virginia, as reenacted or amended.
37. **SMALL, WOMEN-OWNED, AND MINORITY-OWNED BUSINESS USE:**
- It is the declared policy of the County of Fairfax, through its Small and Minority Business Enterprise Program, that Fairfax County and its employees undertake every effort to increase opportunity for use of small or minority businesses in all aspects of procurement to the maximum extent feasible.
 - Where it is practicable for any portion of the awarded contract to be subcontracted to other suppliers, the contractor is encouraged to offer such subcontracting opportunities to small, women and minority businesses.
 - Where Federal grants or monies are involved, it is the policy of Fairfax County, through its agents and employees, to comply with the requirements set forth in the 2 CFR 200 Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, as they pertain to small and minority business use.
38. **GUARANTEES & WARRANTIES:** All guarantees and warranties required shall be furnished by the Contractor and shall be delivered to the Purchasing Agent before contract execution. Unless otherwise stated, manufacturer's standard warranty applies.
39. **PRICE REDUCTION:** If the Contractor makes a general price reduction for any material covered by the solicitation to customers generally, an equivalent price reduction shall apply to this contract for the duration of the contract period (or until the price is further reduced). Such price reduction shall be effective at the same time and in the same manner as the reduction in the price to customers generally. For purpose of this provision, a "general price reduction" shall mean any horizontal reduction in the price of an article or service offered (1) to Contractor's customers generally, or (2) in the Contractor's price schedule for the class of customers (i.e., wholesalers, jobbers, or retailers), which was used as the basis for bidding on this solicitation. An occasional sale at a lower price, or sale of distressed merchandise at a lower price is not a "general price reduction" under this provision. The Contractor shall submit its invoice at such reduced prices indicating on the invoice that the reduction is pursuant to the "Price Reduction" provision of the contract documents. The Contractor will also within ten days of any general price reduction notify the Purchasing Agent of such reduction by letter. FAILURE TO DO SO MAY RESULT IN TERMINATION OF THE CONTRACT.

General Conditions and Instructions to Bidders

40. **CHANGES:** If in the Purchasing Agent's opinion, it becomes proper or necessary in the execution of this contract to make any change in design, or to make any alterations that will increase the expense, the Purchasing Agent shall determine an equitable adjustment to the Contractor's compensation.

No payment shall be made to the Contractor for any extra material or services, or of any greater amount of money than stipulated to be paid in the contract, unless some changes in or additions to the contract requiring additional outlay by the Contractor are first expressly authorized and ordered in writing by contract amendment or otherwise furnished by the Purchasing Agent.

41. **PLACING OF ORDERS:** Orders against contracts will be placed with the Contractor by Purchase Order or Procurement Card (P-Card) executed and released by the Purchasing Agent or their designee. When a Blanket Purchase Order has been released

Deliveries at any other time will not be accepted unless specific arrangements have been previously made with the receiver at the delivery point. It shall be the responsibility of the Contractor to insure compliance with these instructions for items that are drop-shipped.
43. **RESPONSIBILITY FOR MATERIALS OR GOODS TENDERED:** Unless otherwise specified in the solicitation, the Contractor is responsible for the materials or supplies covered by the contract until they are delivered at the delivery point designated by the County. The Contractor bears all risk of loss on rejected materials or supplies after notice of rejection. Rejected materials or supplies must be removed by and at the expense of the Contractor promptly after notification of rejection, unless public health and safety require immediate destruction or other disposal of rejected delivery. If rejected materials are not removed by the Contractor within ten (10) days after date of notification, the County may return the rejected materials or supplies to the Contractor at its risk and expense or dispose of them as the County's own property.
44. **INSPECTIONS:** Inspection and acceptance of materials or supplies will be made after delivery at the designated destinations unless otherwise stated. If inspection is made after delivery at the designated destination, the County will bear the expense of inspection except for the value of samples used in case of rejection. Final inspection is conclusive except in regard to latent defects, fraud or such gross mistakes as to amount to fraud. Final inspection and acceptance or rejection of the materials or supplies will be made as promptly as practicable, but failure to inspect and accept or reject materials or supplies shall not impose liability on the County for such materials or supplies as are not in accordance with the specifications.
45. **COMPLIANCE:** Delivery must be made as ordered and in accordance with the contract or as directed by the Purchasing Agent when not in conflict with the contract. The decision of the Purchasing Agent as to reasonable compliance with delivery terms shall be final. If the Contractor claims the delay in receipt of goods was caused by the County, the Contractor must provide evidence satisfactory to the Purchasing Agent supporting the Contractor's claim. Any request for extension of delivery time from that specified in the contract must be approved by the Purchasing Agent, such extension applying only to the particular item or shipment affected. If the Contractor is delayed by the County, there shall be added to the time of completion a time equal to the period of such delay caused by the County. However, the Contractor shall not be entitled to claim damages or extra compensation for such delay or suspension. These conditions may vary for construction contracts. See contract for the individual instructions.
46. **POINT OF DESTINATION:** All materials shipped to the County must be shipped F.O.B. DESTINATION unless otherwise stated in the contract or purchase order. The materials must be delivered to the "Ship to" address indicated on the purchase order.
47. **ADDITIONAL CHARGES:** Unless bought F.O.B. In such cases, difference between freight or mail and express charges may be added to invoice.
48. **METHOD AND CONTAINERS:** Unless otherwise specified, goods shall be delivered in commercial packages in standard commercial containers that are constructed to ensure acceptance by common or other carrier for safe transportation to the point of delivery. A further allowance of 25% may be made when the equipment is installed and ready for test. The balance shall be paid after the equipment is tested and found to be satisfactory. If the equipment must be tested, but installation is not required to be made by the Contractor or if the equipment must be installed but testing is not required, payment may be made based on 75% at the time of delivery and the balance shall be paid after satisfactory test or installation is completed.

- Save the County, its agents and employees harmless from liability of any nature or kind for the use of any copyrighted or uncopyrighted composition; secret process, patented or unpatented; invention; article or appliance furnished or used in the performance of a contract for which the Contractor is not the patentee, assignee, licensee or owner.
 - Warrant that when the contract includes a software license, or use of licensed software, the Contractor is the owner of the Software or otherwise has the right to grant to the County the license to use the Software granted through the Contract without violating or infringing any law, rule, regulation, copyright, patent, trade secret or other proprietary right of any third party.

The Inspector is not authorized to revoke, alter, enlarge, relax, or release any of the requirements of the contract documents. Any omission or failure on the part of the Inspector to disapprove or reject any work or material shall not be construed to be an acceptance of any such defective work or material. Notification of an omission or failure will be documented by the Purchasing Agent.
57. **INDEMNIFICATION:**
- General Indemnification: Contractor must indemnify, keep and save harmless, and defend the County, its agents, officials, employees and volunteers against Claims that may accrue or arise against the County as a result of the granting a contract, if the Claim was caused by the negligence or error, or omission of the Contractor, its employees, its subcontractor, or its subcontractor's employees. General Conditions and Instructions to Bidders

Contractor must at its own expense satisfy and discharge the same. - b. **Intellectual Property Indemnification:** In addition to the General Indemnification, Contractor will indemnify the County for and defend the County against third-party claims for infringement of any valid United States patent, trademark or copyright by the Contractor's products, software, services, or deliverables. Contractor must indemnify the County for any loss, damage, expense or liability, including costs and reasonable attorney's fees that may result by reason of any such claim. In the event of a claim covered by this subparagraph, and in addition to all other obligations of Contractor in this Paragraph 58, Contractor must at its expense and within a reasonable time: (a) obtain a right for the County to continue using such products and software, or allow Contractor to continue performing the Services; (b) modify such products, software, services or deliverables to make them non-infringing; or (c) replace such products or software with a non-infringing equivalent. If, in the Contractor's reasonable opinion, none of the foregoing options is feasible Contractor must immediately notify the County and accept the return of the products, software, services, or deliverables, along with any other components rendered unusable as a result of the infringement or claimed infringement, and refund to the County the price paid to Contractor for such components as well as any pre-paid fees for the allegedly infringing services, including license, subscription fees, or both. Nothing in Paragraph 58, however, relieves the Contractor of liability to the County for damages sustained by the County by virtue of any breach of contract related to a third-party infringement claim.
- c. **Right to Participate in Defense.** The County may, at its sole expense, participate in the defense or resolution of a Claim. Contractor will have primary control of the defense and resolution of the Claim, except when such defense or resolution requires the County to (i) admit liability or wrongdoing; or (ii) to pay money. In either of these cases Contractor must obtain the County's prior written consent before entering into such settlement or resolution.
- d. **No Indemnification by the County.** The parties agree that under applicable law the County cannot indemnify or defend the Contractor. To the extent any promise or term contained in this Contract, including any exhibits, attachments, or other documents incorporated by reference therein, includes an indemnification or obligation to defend by the County, that promise or term is stricken from this Contract and of no effect.

 - Any other cause the Purchasing Agent determines to be so serious and compelling as to affect responsibility as a Contractor, such as debarment by another governmental entity for any cause listed herein, or because of prior reprimands;
 - The contractor has abandoned performance, been terminated for default on a Fairfax County project, or has taken any actions that inure to the detriment of Fairfax County or a Fairfax County project;
 - The Contractor is in default on any surety bond or written guarantee on which Fairfax County is an obligee.
- If, upon appeal, it is determined that the action taken by the Purchasing Agent was arbitrary or capricious, or not in accordance with the Constitution of Virginia, statutes or regulations, the sole relief available to the person or firm shall be restoration of eligibility. The person or firm may not institute legal action until all statutory requirements have been met.

64. APPEAL OF DENIAL OF WITHDRAWAL OF BID:

- A decision denying withdrawal of a bid submitted by a bidder or offeror shall be final and conclusive unless the bidder appeals the decision within ten (10) days after receipt of the decision by instituting legal action as provided in the Code of Virginia. The bidder or offeror may not institute legal action until all statutory requirements have been met.
- If no bid bond was posted, a bidder refused withdrawal of bid under the provisions of Article 2, Section 4.A.8, of the Fairfax County Purchasing Resolution, prior to appealing, shall deliver to the County a certified check or cash bond in the amount of the difference between the bid sought to be withdrawn and the next low bid. Such security shall be released only upon a final determination that the bidder was entitled to withdraw the bid.

General Conditions and Instructions to Bidders

- c. If, upon appeal, it is determined that the decision refusing withdrawal of the bid was not an honest exercise of discretion, but rather was arbitrary or capricious or not in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the Invitation to Bid, the sole relief shall be withdrawal of the bid.

65. APPEAL OF DETERMINATION OF NONRESPONSIBILITY:

- a. Any bidder who, despite being the apparent low bidder, is determined not to be a responsible bidder for a particular County contract shall be notified in writing by the Purchasing Agent. Such notice shall state the basis for the determination, which shall be final unless the bidder appeals the decision within ten (10) days of receipt of the notice by instituting legal action as provided in the Code of Virginia. The bidder may not institute legal action until all statutory requirements have been met.
- b. If, upon appeal, it is determined that the decision of the Purchasing Agent was arbitrary or capricious and the award for the particular County contract in question has not been made, the sole relief available to the bidder shall be a finding that the bidder is a responsible bidder for the County contract in question. Where the award has been made and performance has

begun, the County may declare the contract void upon a finding that this action is in the best interest of the public. Where a contract is declared void, the performing Contractor shall be compensated for the cost of performance up to the time of such declaration. In no event, shall the performing Contractor be entitled to lost profits.

66. PROTEST OF AWARD OR DECISION TO AWARD:

- a. Any bidder or offeror may protest the award or decision to award a contract by submitting a protest in writing to the Purchasing Agent, or an official designated by the County of Fairfax, no later than ten (10) days after the award or the announcement of the decision to award, whichever occurs first. Any potential bidder or offeror on a contract negotiated on a sole source or emergency basis who desires to protest the award or decision to award such contract shall submit such protest in the same manner no later than ten days after posting or publication of the notice of such contract as provided in Article 2, Section 2, of the Fairfax County Purchasing Resolution. However, if the protest of any actual or potential bidder or offeror depends in whole or in part upon information contained in public records pertaining to the procurement transaction which are subject to inspection under Article 2, Section 4.D of the Fairfax County Purchasing Resolution, then the time within which the protest must be submitted shall expire ten days after those records are available for inspection by such bidder or offeror under Article 2, Section 4.D, or at such later time as provided herein. No protest shall lie for a claim that the selected bidder or offeror is not a responsible bidder or offeror. The written protest shall include the basis for the protest and the relief sought. The Purchasing Agent shall issue a decision in writing within ten (10) days of the receipt of the protest stating the reasons for the action taken. This decision shall be final unless the bidder or offeror appeals within ten (10) days of receipt of the written decision by instituting legal action as provided in the Code of Virginia. Nothing in this section shall be construed to permit a bidder to challenge the validity of the terms or conditions of the Invitation for Bid or Request for Proposal.
- b. If prior to award it is determined that the decision to award is arbitrary or capricious, then the sole relief shall be a finding to that effect. The Purchasing Agent shall cancel the proposed award or revise it to comply with the law. If, after an award, it is determined that an award of a contract was arbitrary or capricious, then the sole relief shall be as hereinafter provided. Where the award has been made but performance has not begun, the performance of the contract may be declared void by the County. Where the award has been made and performance has begun, the Purchasing Agent may declare the contract void upon a finding that this action is in the best interest of the County. Where a contract is declared void, the performing Contractor shall be compensated for the cost of performance at the rate specified in the contract up to the time of such declaration. In no event, shall the performing Contractor be entitled to lost profits.
- c. Pending final determination of a protest or appeal, the validity of a contract awarded and accepted in good faith in accordance with this article shall not be affected by the fact that a protest or appeal has been filed.
- d. An award need not be delayed for the period allowed a bidder or offeror to protest, but in the event of a timely protest, no further action to award the contract will be taken unless there is a written determination that proceeding without delay is necessary to protect the public interest or unless the bid or offer would expire.

67. CONTRACTUAL DISPUTES:

- a. Any dispute concerning a question of fact as a result of a contract with the County which is not disposed of by agreement shall be decided by the Purchasing Agent, who shall reduce her decision to writing and mail or otherwise forward a copy to the Contractor within ninety (90) days. The decision of the Purchasing Agent shall be final and conclusive unless the Contractor appeals within six (6) months of the date of the final written decision by instituting legal action as provided in the Code of Virginia. A Contractor may not institute legal action, prior to receipt of the Purchasing Agent's decision on the claim, unless the Purchasing Agent fails to render such decision within the time specified.
- b. Contractual claims, whether for money or other relief, shall be submitted in writing no later than sixty days after final payment; however, written notice of the Contractor's intention to file such claim shall have been given at the time of the occurrence or beginning of the work upon which the claim is based. Nothing herein shall preclude a contract from requiring submission of an invoice for final payment within a certain time after completion and acceptance of the work or acceptance of the goods. Pendency of claims shall not delay payment of amounts agreed due in the final payment.

- 68. **LEGAL ACTION:** No bidder, offeror, potential bidder or offeror, or Contractor shall institute any legal action until all statutory requirements have been met.

- 69. **VENUE:** This contract and its terms, including but not limited to, the parties' obligations, the performance due, and the remedies available to each party, are governed, construed, and interpreted in accordance with the laws of the Commonwealth of Virginia. Any jurisdiction's choice of law, conflicts of laws, rules, or provisions that would cause the application of any laws other than those of the Commonwealth of Virginia do not apply. Any and all disputes, claims, and causes of action arising out of or in any way connected with this contract or its performance must be brought in the applicable court of Fairfax County, or in the United States District Court for the Eastern District of Virginia, Alexandria Division.

General Conditions and Instructions to Bidders
